

## Information and retail prices

**[2006]**

### Illusion HR compact binoculars feature

- \* Quality body construction
- \* High quality fully coated glass lenses and prisms
- \* Easy focus action
- \* Rubber eyecups, roll down for use with spectacles
- \* Case included
- \* 10 year guarantee

Illusion is our unbranded series

This means that there is no brand name printed on the product, case or box.

All packaging is attractive, so Illusion can be sold as they are, or can be branded to requirement.

We can make large volumes to order making alterations to style, colour or branding as required.
