

Illusion 7x50 waterproof binoculars

Information and retail prices

[2006]

Illusion 7x50 waterproof series feature

- * Quality body construction with rubber armour
- * Fully waterproof, nitrogen filled
- * High quality BAK 4, coated glass lenses and prisms
- * Fast focus action
- * Rubber eyecups, roll down for use with spectacles
- * Tripod fitting,
- * Case and floatation strap
- * 10 year guarantee

A superb marine binocular, fully waterproof and nitrogen filled.
 Floatation strap will keep the binocular floating on water surface
 Excellent low light performance,

Illusion is our unbranded series

This means that there is no brand name printed on the product, case or box.

All packaging is attractive, so Illusion can be sold as they are, or can be branded to requirement.

We can make large volumes to order making alterations to style, colour or branding as required.
